Letter from the Editor

It is not even the middle of February, and it feels like Spring might be arriving soon. Recently, I have begun working with AhornTV selling "Abco Film Video Production Services", as well as content production for social media sites and I love this. Making Youtube videos for corporations... Abco also produces AhornTV (German) and TulipTV (Dutch), and I am working as a PR & Sales Consultant for them, as well. Let me know if you have seen an episode and what you think! At the same time, I work for the Recycling Council of BC as a Communications Consultant and am helping to run the newspaper club in my children's school - training a new generation... Elke

Board Nominee Karin Kapp

I moved to Canada from Switzerland in May 1988. I chose to come to Vancouver because of the oceans and the mountains, which I thought would help me overcome any homesickness! I have been in Canada for 23 years, and I am loving it!

I was born in Alstaetten SG, Switzerland, which is a town located in the Rhine Valley. However, I am an Appenzellerin, from the beautiful city of Appenzell!

One of my goals for the Swiss Society, is to bring people together, who have a love and an interest to preserve the Swiss Culture in any way possible.

I would like to see an assortment of activities organized, which could be attractive to families with young children and the youth.

AGM - March 20th at Vancouver Alpenclub at 7:30 pm SHARP!

Board Nominee Mirjam Mai

Question: When did you come to Vancouver & why?

Answer: I came to Vancouver in September 2010 to work as a postdoctoral research fellow (chemistry) at UBC. I liked it so much that I extended my stay for a second year and I am currently looking for a permanent job to settle down in this area.

Through my friend, Alfred Eigenmann, I came in contact with the Vancouver Swiss Choir in October 2010 and I have been an active member of the choir since then. I was strongly involved in the organization of the Saengerfest last year and hope to be a helpful and productive addition to the Executive Board of the Swiss Society with my skills.

Question: What are your goals?

Answer: My goal for the Swiss Society is to get more young people/families involved. The Swiss Society did a great job to maintain Swiss culture and to provide a space where like-minded people can gather and exchange their experiences. This tradition has to be kept alive and with the experience of our senior members that task also needs the input and energy of the younger generation.

The Swiss Outdoors Club is an integral Section of the Swiss Society of Vancouver, BC. It promotes friendship, fitness and fun. The Club operates, on behalf of the Swiss Society of Vancouver, a ski cabin (25 person capacity) at Glacier Springs, Washington (near Mt. Baker) and

PRESIDENTS CONFERENCE TO BE IN VANCOUVER!

After a discussion with Mr. Walter Hildebrand of the Edmonton Swiss Society, it has been decided that the 2012 President's Conference will be held in Vancouver, and hosted by the Swiss Society Vancouver, together with the support of other clubs in the area & the Consulate.

One of the reasons for the change of venue is the planned visit of Ms. Rustichelli from the Organization of Swiss Abroad (OSA) this April, 2012. She will be touring Canada and the US to introduce and promote the latest communication platform www.swisscommunity.org. Some of you might already be using this tool, while other Swiss living abroad might be hearing about it for the first time. Ms. Rustichelli will be in Vancouver, Saturday, April 21st when the Vancouver Dorfmusik hold their traditional Spring Concert at the Alpenclub. (see ad page 9)

GOODBYE & THANK YOU VERY MUCH!!!

Peter Schaele, long-time President & Member of the Swiss Society, is leaving! Over the years, he has shown dedication & many hours of time to represent the Swiss in Canada. Peter is shown here during the Olympics wearing his Swiss hat, holding a cowbell with a Swiss flag in the background. Peter is still Vice-President of the European Society, and will be available as past President, but wishes to pass the reigns on to another President - will this be you?

During the recent cold spell (January 16th to 20th approx), our Outdoors Club members Andy Huser and Sepp Rinderli ventured through the slippery and snowed-in Fraser Valley down to our ski cabin in Glacier Springs, just in the nick of time! They cleared the path to the cabin, "unfroze" the hot water tank and prevented substantial damage. We thank Andy and Sepp for their efforts. Pictures above & article by Joe Mueller

We Are Here To Help!

The Seniors Committee has created a new network for needy, lonely or sick seniors – including members or non-members of the SSV – who would like to get a friendly telephone call and/or a visit.

At the moment we are able to visit people in the areas of Greater Vancouver and the Fraser Valley. please let us know when somebody has passed away, so we can inform the members of the SSV. We also would like to know about special birthdays (80 years or older), since the SSV has not registered these dates.

The coordinator of this network for White Rock and South Surrey will be Irma Karsenbarg, Tel. 604-531-1215. For other areas: Trudi Schmidt, 604-988-9543

Turning 65?

Please let the SSV know when you reach that magical birthday – 65 years young! Contact Susanne Wilson at 604-888-6949 and we will then add your name to the seniors list and you will be entitled to a reduced membership fee in the Swiss Society. What better way to start your senior lifestyle than by saving oodles of money!!

SSV SENIORS CHRISTMAS LUNCHEON by Nick Schwabe

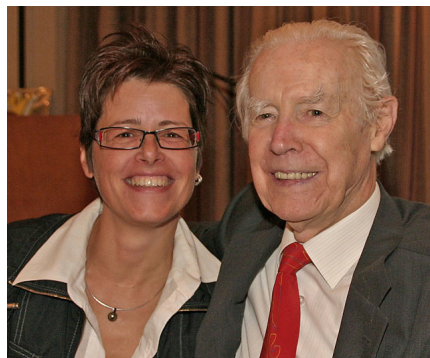

Our traditional Seniors Luncheon was held on a crisp and sunny day at 5°C, without snow! The fully booked party was held in the large dining room, filled to capacity with 121 seniors, members and guests. It was nice to see familiar faces, old timers and their spouses again, and exchange stories, memories and jokes! The round dinner tables seated 10, which created the familiar clan-atmosphere of belonging, friendship and exclusiveness.

Andrea Stolte, attractive Master of Ceremonies, an excellent speaker and entertainer, welcomed the Guests of Honour - Consul General of Switzerland Urs Strausak and Martina; Deputy Consul General Hans-Peter Willi and Riccarda; as well as President SSV Peter Schaele and Helen. Consul General Strausak spoke about his career, and how he is looking forward to getting to know the Swiss in British Columbia better. Peter Schaele mentioned his final resignation as President of the Board of the SSV, after many years of dedicated leadership, by the AGM in March, 2012.

Andrea Stolte thanked Urs Strausak and Peter Schaele for their speeches, Choir conductor Dubravko Pajalic for coming to perform with the Choir the traditional Swiss and Christmas songs, Edwige and Ernie Weingand for sending out the invitations, and doing all the paperwork! Thanks in the name of the Seniors for the support from the SSV.

Finally at 1.30 pm lunch was served: Pea soup or salad, pork roast, mashed potatoes, vegetables, coffee, tea and dessert. The traditional gift from Santa Claus, a little bag of cookies, was handed out to everyone, and thanks offered to the cookie-bakers. These included Marie-Louise Hanna, Barbara Wirsching, Margaret Spengler, Susanne Wilson, Maja Joehl, Elisabeth Appenzeller, Melanie Crook, Trudy Schmidt, Rita Meier, Caroline Merkli, Karin Kapp, Mary Brunold and Maria Logan, who donated the chocolates. Werner Schmidt our patisserie-artist, surprised us with a large angel, a Santa Claus, a large cake and lots of his famous marzipan figurines! Thank you Werner.

Remember Joe Mueller, eternal photographer, for producing memorable portraits and pictures! (see photos www.swiss-society.ca - SSV Seniors) Finally a great "Thank You" to Blanche & Werner Rutishauser for putting it all together!

The Vancouver Dorfmusik (Blaskapelle) was founded in 1983 by 3 members of the Vancouver Swiss Community to perform Swiss and European style music similar to small village bands.

The Vancouver Dorfmusik has performed locally and internationally on many occasions.

The term 'Blaskapelle' needs a bit of elaboration. In Europe most villages and cities have bands ranging from small groups, brass bands to large concert bands. The Blaskapelle is a separate group and usually has no more than 20 players. Very often, these groups are formed by assembling the good players from several villages or cities. Today there is quite a 'Blaskapellen' movement through Germany, Austria, Switzerland and the Czech Republic.

Presently, the Vancouver Dorfmusik has about 20 players and keeps close ties with the Swiss community. However, the Dorfmusik is becoming increasingly a group of accomplished Canadian players with a variety of ethnic backgrounds who enjoy the European style 'Blaskapelle' playing. Please contact Urs Fricker, President, julieturs@hotmail.com for more information. See videos on: <http://www.vengle.com/s/dorfmusik.html>

The price is the same for both active members (you or your spouse is a Swiss National or descendant) and for the Associate Members (non-Swiss National). However, Associate Members may not vote at the AGM.

This is a discussion that will be held at the AGM - Do members still feel this is the right thing to do? What if the new President is a very active Member, but not Swiss? At this point, direction from the Board points to being more flexible in membership rules in the future and even allowing the President or Vice-President to be a non-Swiss National, as long as the other is a true Native Swiss. What do YOU think? If you feel strongly either way, make sure you attend the AGM to have your say.

Past Event - Waldweihnacht 2011

December 19th, 2011 was the first time that I had attended the Waldweihnacht, and I really liked it. The children were excited by the snow, my husband was excited by the Gluehwein, and I was excited by the cabin! We walked through the snowy woods, with torches on either side to light our way. We stayed in a clearing and sang Christmas songs with the Swiss Choir. We continued walking and came to a nice, warm cabin with mandarin oranges, peanuts & cookies on each table. Santa came eventually and all the children were given a bag with treats. The Consul General Urs Strausak was there, along with Swiss Chamber President Vince Sciamanna and current President Peter Schaele. The musicians played, which made a great atmosphere - Elke
