

*I'd like the memory of me to be a happy  
one.  
I'd like to leave an afterglow of smiles  
when life is done.  
I'd like to leave an echo whispering softly  
down the ways,  
Of happy times and laughing times and  
bright and sunny days.  
I'd like the tears of those who grieve, to  
dry before the sun;  
Of happy memories that I leave when life  
is done.*

*We are left in great sadness since you have gone away. The time we had with you was a precious gift. Your tireless care, your warm affectionate being, all you were will always live on in our hearts and souls. Softly and tenderly we bid you farewell.*
