Letter of the President

Thanksgiving Day is just behind us and it gives me occasion for reflection.

Nick Schwabe passed away and I am told that about 3 times as many people attended his Celebration of Life than were originally expected. So many people wanted to speak that it ran almost ½ hour overtime. I suggest his intimate involvement with the Vancouver Swiss Society, working in various capacities for the betterment of our Swiss community had much to do with that. But there are also fellow members who are always there to help, in this case by acting as chauffeurs for those who otherwise would not have been able to attend, or to be a walking/hiking companion. I am aware also of members who will shop, or just lend an ear. Perhaps that is why, after over 50 years, The VSS continues to be a glue to bind our community together - there is a special chemistry between old friends.

As the mother of a lively little boy, I'm chronically short of time, yet in our wonderful VSS countless busy people refashion their time to create memorable moments for all to enjoy, There are all of the groups within the VSS. Jacques has a busy schedule of walks, hikes, Glacier cabin weekends in the works and is cementing details for the ever popular Wald Weihnacht and New Years' Eve party at Glacier Springs.

The Senior's Lunch, under the watchful leadership of Christina ,Edvige and her crew are finalizing all the details which will make this years' Annual Senior's Lunch a rousing success. As in past years it will be held at the Holiday Inn in North Vancouver.

We are very pleased to have Andrea Stolte back as our fabulous MC.

As I write Barbara is assembling her Cookie Baking Sisterhood. Each woman will bake 150 cookies, as they do year after year.

I am very grateful that there are always volunteers to fill in the gaps, whether at the Mountain Range parking cars, selling tickets, cleaning the cabin, chopping wood , taking photos, phoning people and the thousand other duties that arise so that the Vancouver Swiss Society thrives and here to keep our culture, language and traditions alive.

"An integral part of our community's framework is The Herald. I am so pleased that the magazine continues to keep us in touch even when we are separated by many miles. Christina Lips does an exemplary job. Aio, thank you for keeping our website current and interesting.

I salute you one and all!

Celebration of Life of Nick Schwabe, Viking style

By Joe Mueller

The Celebration of Life of Nick Schwabe took place on Oct 17 and 18, 2014. It was broken into three phases.

On Friday, October 17th, a small group of Nick's personal friends together with his eldest son, Stefan, hiked up in pouring rain to Mystery Lake, near Mt. Seymour. At the very rocky place, where Nick had spent many hours contemplating and worshipping nature, Stefan spread his ashes and wished a " Fare well, dear father " .

On Saturday noon, October 18th, 55 family, business and Swiss friends gathered on the Mt. Seymour Parking Lot for the official Memorial Hike to Mystery Lake. Dense fog covered the parking lot and participants had problems finding each other at the trail head; so dense was the fog!

But after some scrambling, we were able to move out in three groups. The first group, the easy hikers, hiked on the official trail to Mystery Lake. The second group, also wanting to be easy hikers, followed shortly after.

The third group however, the stronger hikers equipped with good boots and walking sticks, followed a trickier trail, through the forest, over slippery roots and wet rocks. Within an hour though all participants reached safely the eastern end of Mystery Lake and settled down for the ceremonial part of the day. By this time the fog

had cleared and Mystery Lake presented itself in full fall colors; very appropriate and timely for Nick.

The first task at the lake were several toasts and good wishes to Nick approved by the cheers of the group. The second task was a sing-along organized by some Swiss Choir members. Then followed a moving prayer and blessing by Nat Prakash, a long time co-worker of Nick.

After the blessing Stefan stepped forward and spread symbolic amounts of Nick's ashes along the lake's shore, and Elisabeth Schuepbach presented a rich bouquet of flowers on behalf of the group. A few minutes of silence in honor of Nick followed.

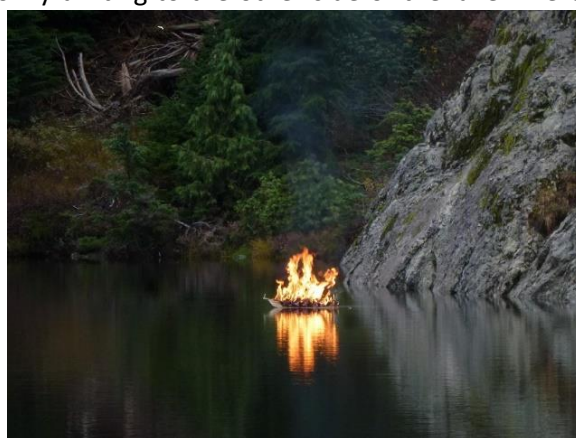

As final act, Andres Schneider, introduced a miniature Viking boat, decorated with flowers and candles. He explained how he had experimented and built the boat, and how he expected the boat to behave: i.e., to sail out into the lake with some of Nick's ashes, burst into flames, slowly burn down to its core and eventually sink into the depth of the lake. The Vikings had honored their leaders in this way, only on a much grander scale.

With the participants expectantly watching and in full view, Stefan loaded Nick's remaining ashes on the boat. Andres lighted the candles and then sent the boat gracefully sailing out into the lake. Well, as planned, in the middle of the lake the boat miraculously caught fire and white smoke billowed into the sky. And so we watched in awe the burning boat slowly drifting to the other side of the lake where eventually the fire died down and the boat began to sink. The group burst into loud applause, many with tears in their eyes! Nick would have liked this event.

After a pause and lunch, we gradually began our return trek to the parking lot; this time in full sunshine.

The third part of the Celebration of Life was the official Reception at the Holiday Inn, in North Vancouver. About 120 persons attended and listened to the various tributes offered to Nick. Two alphorn blowers opened the Reception and the Swiss Choir of Vancouver presented 4 emotional songs, under the direction of Dubravko Pajalic. Stefan confided that he had never expected so much outpouring of respect for his father Nick and that he was deeply moved by the loyalty of his friends. He thanked the participants for their attendance, Joe Mueller for organizing the event, Andrea Stolte for MCing the Reception, all the friends who made it to the Mystery Lake and Andres Schreiber for the "Viking style funeral" of Nick. The attached photos tell the story.

Photos were submitted by Pierre Favre, Henry Hutter, and Joe Mueller.

We Are Here To Help!

The Seniors Committee has created a new network for needy, lonely or sick seniors – including members or non-members of the SSV – who would like to get a friendly telephone call and/or a visit. At the moment we are able to visit people in the areas of Greater Vancouver and the Fraser Valley. Please let us know when somebody has passed away, so we can inform the members of the SSV. We also would like to know about special birthdays (80 years or older), since the SSV has not registered these dates.

Swiss Choir Section

On September 25th our Vancouver Swiss Choir was invited to Rosy Schüpbach's retirement party from her job at the Provincial Assessment Centre on 3405 Willingdon Ave. in Burnaby BC. Rosy always opened and closed the doors for us choir singers at her work place for many years, which was always very much appreciated. Even though she is retiring from her job, she will continually sing with us in the Swiss Choir. Thank you, Rosy.

For her special day, we sang a few songs with some yodeling. Of course our two professional Alphorn players Kimi and Beat supported us as well. Many of the people present were quite impressed with our performances. We also were invited for a nice lunch.

We wish Rosy all the best in her retirement, and are thankful for her continual support in our Swiss choir.

Alfred Eigenmann (took also all the photos)

The Swiss choir participated at the reception of Nick Schwabe's celebration of life.

Andrea Stolte is taking a leave of absence from her position as the President of the choir.

Elisabeth Appenzeller and Sylvia Kinvig will replace Andrea during her leave.

The weather forecaster promised a break in the sky for later in the morning of [Saturday](#), 11. October 11th, 2014. Five members of the Swiss Outdoors Club took advantage of this opportunity and hurried to Cypress Bowl and then trekked in 4 hours to Eagle Bluff and back. Not a drop of rain we encountered!

Cheers. Joe

If O.J.Steiner did a trip back to the future, he would probably be a bit confused about our Bookkeeping System in 2014.....

On the next page is a New Years' Eve story written in 1939. It's in Swiss German and even for me a little challenge to read it. It's almost a bit like a nightmare that turns out really good and makes me smile.

I hope the people who don't understand it can find a friend who will be able to translate it.

Es SILVESTER ERLÄBNIS in BERN

(Vo Karl Frischknecht, Vancouver)

So guet i mi mag erinnere, isch es im Silväster 1939 gsih. I bi no nid lang z'Bärn gsih ond ha no nid alli Sytewegli und Strössli g'kennt. Mini desumolige Ufgab isch gsih: Hotelgäst am Bahnhof abzwarte; ond das öppe 8 bis 9 mal a halb Stund im Tag.

No i der Weihnachtswoche häts denn e so lätzelt Gäst ine bräglät, dass s'Postfach lääre fast die einzige Beschäftigung gsih esch wo's uf am Bahnhof ussführe geh het. He jo, es isch - ond nüd bloss mini Uffassig gsih. Em Herr Mattmüller, em Verwalter isch das au klipp ond klar gseh. Wo's denn am Sylvester an Uftrag ineg'schneit het, en Hors d'Oeuvre neume äne z'bringe isch es am eifachste gsih mich z'schicke.

"Punkt Siebni, am Pappelweg 22" het de Verwalter gsäit. "I weiss sälber nid gnau wo's isch. Er münds no vorher usfindig mache!" Üse Halleportier, hinderem Uskunftspult isch aber so öppis wie ne "Sprechende Stadtharte" gsih ond so han ich ihn gfroget. "Das isch näbe in Wabere-n-össe" het er mer gsäit. So han-i mi denn öppe ne halb Stund vor der Zyt, mit dem Hors-d'Oeuvre a de Spittelgass is Tram ine zwängt, Richtig Wabere!

Für uf Wabere use hed mer müesse am Buebebergplatz s'Tram wechsele. I has s'Serviettepapier vo über d'Platte ine gschlage gseh isch sorgfältig säme g'hebet ond be uf's Waberetram öbere. Wo-n-i de Kondiktör gfroget ha, wo-n-iächt mües usstiege für de Pappelweg isch er ufgfahre ond het gsäit: "Sternefeufi, we d'er a Pappelweg weit gah, de müest er ganz uf an angeri Syte, de müesst er zrogg uf a Bahnhofplatz und mit em Lorränebus äbr-us". Chorz druf bini, vom Hirschegebrugg zrogg wieder a de Heiligegeist Cherche zue gstande. Passante uf de Stross send dichter worde ond längerime ond schöner aglämt deher cho. Für a dertige Obäd send natürläi allerhand für privati ond öffentliche Aläss festglämt. Mit eme chlinere Schrecke hani den fest-gestellt, dass of äner Syte vo minere Hors d'Oeuvre-Platte, s'Serviettepapier het de Randesalotsaft afo ufsunge. "Verbrennti Zäne" hani im Stille gfl... "das chont vom letschte Ellebogestoss". Of der andere Syte vo de Stross hed de Zytigverehäufel ahaltend gruefe: "Drrrr Bund, Drrrr Bund!" "Söll iächt oder soll i nüd" hani d'tenkt. "Nei i go nüd mis Sorgechind mit Zytig-papier go überzöche" han i den entschlosse. Erschtens bliibt die Sach so besser onder Kontrolle, ond zwötens gsechts den grad a jede, dass i ned a Handgranate aber doch a gepässig gröhrlische Sach eme z'stosse ha. Ond omso schöner d'Chleidig, om so me Rücksicht uf de "Randesalot" chönt-i erwarte. Das isch denn prima vor sich gange. I chorze Zyt bin i den of em Trottoir vomere Sytestross g'stande wo de Name "Pappelweg" agschreibe gha het. I de Stross no bin i de zu de Nummere 14, 16, 18 cho ond denn isch es - dunkel worde. "Ond doch vog is" hani mer suagflüstered, bi wiiter grad uus gloffe. Noch em e Willi sind de wieder Hüser uftaucht. Aber, chline Trost! D'Nummere sind vo 26 a wiiter gange. Ich hätt aber sum zwötensvünzgi selle!

So hani denn am Pappelweg 26 noch em Name vo emsem Chond gfroget, aber ohni Erfolg. Do bin i wieder zrug, ha a de Hustöore vom achtsähni gläitet ond gfroget ob

mer öppis wüssi. "Nei, nüd, aber es isch ne a Pappel-wäg i Wabere-n-össe! isch d'Uskunft gsih." Jetst hört aber doch alles uf" hani im Stille gmoemlet, ond derus no e paar gueti Wüsch i dem Trämli no g'schickt wo mer das alles i'brochet hed. S'Renne isch grad wieder vore-n-a g'fange!

Mit e chli laufe ond busfahre bin i zletscht wieder vor de Heiligegeistcherche am Buebebergplatz gstande, som drette mol! I ha mi tröstet, dass es ja immer wieder anderi Passante seged, wo mi gseh händ mit min farbefrohe Salatplättli umenand fuchtle. Wom-i do endlich wieder im Nümitram gsesse ond of Wabere zuegfahre bi, isch mi Temperatur wieder normaler worde.

E Mitfahrer het mer de chönne säge, de Pappelweg i Wabere sei ganz neu, jedefalls no nid uf de Charte. "Am beste tüt er bi de Gurtebahn usstiege", het er ne bigflegt. Aber us luuter Bedenke i chönt o no-e-mol zwit fahre, bin i a Haltstell z'früh ussgatige, ha de mit e chli laufe der "ander" Pappelweg z'fonde. Vo-n-ere Strossebelüchtig aber no kää Spuur. Mit e paar schwache Schimmer vo de Altstadt hani mit knapper Not d'Husnummere vo de unbewohnte Neubaute chönne abläse bi zletscht, mit allem balanciere, z'säme mit minere Hors d'Oeuvre Platte heil bim letschte Huus acho. Grad vil Hoffnig ha-n-i nümme gha. Meh oder weniger über-rascht ha-n-i aber doch über de Türe näbis wie-n-es 22 chönne definieren.

Im ganze Gebäud het zwor kei Liechtschimmer d' Gege-wart vo Bewohnere verrote. D'Tafele vo de Huusglogge hed usgseh wie ne zwötensiegi Handorgel. Nämme sind no keini droffe gsih! Chorzum, i han a eim End agfange lüfte - ond warte. Der erscht Chnopf: "Nix", de zweit: "nüd", de dritt: "Nobis", de viert: "niente". Denn isch's wiiter gange: "nada, - rien, - nothing, -netbis zum letschte Chnopf! Do hockscht, hani für mi gfunstet - on vo de Altstadt hets agfange Nüni, Nü-dü-ni-i schloh. Mis Plättli isch aber uf Siebni bechellt gsih! Jetz het mer aber doch oppis g'hört ond d'Husstür isch uf g'gange!

"Ah, do chönt d'Hors d'Oeuvre" het a nette Herr a'gange. "Jo, es tuet mer furchtbar leid, dass i so spoht be, i ha.." hani g'seit ond grad welle verzelle wie's gange esch. "S'macht nüd, s'macht nüd het de Herr abgeschnitte, "mer hei ganz eifach s'Programm e chli gwechslet."

Mer isch ob dem Glichmuet entschiende lichter worde ond wo-n-i do no a Zweifränkler Trinkgeld i minere Hand gschpürt ha, hani dää Trämli und alle Aerger ond Verdross scho vergässe gha ond be nochher, um es i-dröckliche Erlebnis riicher, z'friede is Neujahr öbere g'rütscht!

THIS LITTLE STORY was sent in by one of our readers. It tells us in "Schwyzerdütsch" of a series of mis-haps and disappointments the writer went through on New-Year's eve 1939 when he had to deliver some food ordered from a caterer. He finally arrived - but two hours late. In spite of that everything ended well, thanks to the kindness of the gentleman who had placed the order. You see, 15 years later and many thousand miles away, this kindness is still remembered. Isn't this something worth to be thought over again on New-Year's eve 1954, when you may reread this story!

With best wishes for a MERRY CHRISTMAS and a HAPPY NEW YEAR to our readers!

The Editor.
