

Dear Members of the Swiss Society of Vancouver,

My name is Thomas Arn, and I have represented you on the Council of the Swiss Abroad since 2020. I am now seeking your support for a second term to continue this important work.

Key areas of my focus:

- **Increase Visibility:** The Swiss community abroad needs a representative who actively brings your issues to light.
- **Create Opportunities:** Ensure that Families, Entrepreneurs, Students, and Professionals receive the support needed.
- **Business, Science, and Cultural Exchange:** Strengthening Swiss-Canadian ties will create more opportunities for Swiss companies and scientific and cultural initiatives in Canada.
- **Supporting Future Generations:** Engaging younger Swiss citizens in Canada, fostering a sense of identity and connection to their heritage.

My Commitment:

As someone who has lived abroad for over 25 years, I deeply understand the joys and challenges of being part of the Swiss diaspora. Representing you is both a responsibility and an honour, and I am dedicated to ensuring your voices are heard and your interests are protected.

I ask for your trust and support for another term. Together, we can continue building a vibrant and connected Swiss community abroad. Please feel free to reach out to me with your thoughts or questions.

Thank you for your trust and engagement. - Danke, Grazie, Merci, Grazia fìch

Best regards,

Thomas Arn
